## EXPERIENCE

---

### GRAPHIC DESIGNER / PHOTOGRAPHER

Ruby + Oak Co. | Atlanta, GA | 2019 - Present

Manage and work with multiple clients across different platforms to create company graphics including websites, newsletters, web banners, social ads, flyers, business cards and all other required marketing materials

Produce high-end images with digital-medium format cameras, studio lighting and retouching within Photoshop and Lightroom

Organize photo shoots to create images for re-branding and advertising purposes that are used across various platforms

Responsible for delivering final graphics, ensuring they are on-brand and up to the clients specifications

### FREELANCE PHOTOGRAPHER

Self-Employed | Portland, OR | 2017 - 2019

Produced promotional, product, landscape and portrait photography for print and digital use

Implemented new management and organization within the studio to decrease the amount of downtime between shoots and set changes which increased productivity

Improved knowledge of Photoshop, high-end photo retouching, photo manipulation, color correction, and digital camera use resulting in faster turnaround times and higher quality images

Responsible for maintaining personal camera equipment and accessories that include Pentax 645Z medium format camera, ProFoto lighting equipment and various other accessories
